BENTE

24

FOR ANY WEATHER.
FOR EVERY REQUIREMENT.
FOR EVERY SKILL LEVEL.

Excellent sailing characteristics are the hallmark of every BENTE. Whether tacking or sailing broad reach, whether planing or manoeuvring in narrow harbours – a BENTE always shows what it's made of. On inland waters, its sailing performance is enhanced with enlarged rigging for inland waters, while on the open sea it impresses with good offshore characteristics. And most importantly – no matter how skilled you are as a sailor, a BENTE is every skipper's best friend in no time at all.

GOOD REASONS, TO CHOOSE THE 24

The BENTE24 combines modern and sporty sailing with comfortable living.

- Stable upwind performance due to a high ballast ratio
- Good broad-reach performance due to a wide, flat stern and large gennaker
- Exceptionally manoeuvrable at sea and in port
- Comfortable single-handed sailing
- Custom colour selection for dodger and waterline
- Feel-good factor thanks to plentiful daylight and air as well as large windows
- Generous space concept with ample headroom below deck and numerous innovative details
- Large range of accessories to customise all yacht equipment
- Choice of two engine variants (petrol or electric)

WE SHOW OUR COLOURS (Design colours for dodger and water pass)

OUR CONCEPT: SAIL DIFFERENT!

In the international yachting scene, the name judel/vrolijk stands for unique design concepts as well as well-balanced, innovative boat constructions with excellent sailing characteristics. Avoiding the same old familiar choices – and replacing them with something new and surprising – this is the philosophy that makes BENTE so special. And you can see it, feel it – and experience it on the water.
